

ICAO Asia Pacific Regional Office, Bangkok appreciates Airports Authority of India Executives during AIDC Seminar

It was a proud moment for Airports Authority of India (AAI) for receiving appreciation from ICAO Asia Pacific during special session conducted to recognize the contributions made by Anurag Sharma, Jt.GM (CNS) and Dr. G. Manish, Jt. ATM (ATM) in developing the PAN Regional AIDC ICD and their active participation in the AIDC seminar held from 28th to 31st October, 2014 at Bangkok. The efforts of Mr. Adam Watkin from Air Services Australia (ASA) were also recognized.

Mr. Yoshiki Imawaka, Deputy Regional Director ICAO Asia Pacific Office, presented commemorative plaques to Anurag Sharma, Dr. G. Manish from AAI and Mr. Adam Watkin from ASA in the presence of Mr. Li Peng, Regional Officer and secretary to the seminar.

While actively participating in the Inter-Regional AIDC Task Force (IRAIDC) meetings, Airports Authority of India had taken keen interest in the process of developing the ICAO PAN Regional ICD for AIDC. Extensive efforts were made by AAI representatives with active support from ICAO APAC, NAT and other members of the Task Force. The “PAN Regional ATS Interfacility Data Communication ICD Version 1.0” was completed and adopted by APANPIRG/25 and is to be adopted by NAT SPG in the upcoming meeting in November 2014.

Further during AIDC Seminar, AAI representatives acted as facilitators and made significant contributions in developing regional implementation framework. The seminar was attended by 40 participants from 13 Administrations (Australia, Bangladesh, Cambodia, Macao China, India, Iran, Malaysia, Myanmar, Philippines, Singapore, Sri Lanka, Thailand, Viet Nam), two industry suppliers (Harris and Thales) and representatives from ICAO APAC, MID and EUR/NAT.
