## **UPR GEOGRAPHIC ZONE**

### **1. INTRODUCTION**

1.1 This AIP SUP cancels and replaces SUP H66/13.

1.2 The Indian Ocean Strategic Partnership to Reduce Emissions (INSPIRE) is a partnership between Airservices, Airports Authority of India, and ATNS of South Africa. The partners have been collaborating with a large number of peer ANSPs across the Arabian Sea and Indian Ocean, and a number of airline partners, to establish a User Preferred Route (UPR) Geographic Zone.

1.3 Airservices, with INSPIRE partners and peer ANSPs, have been participating in a UPR Geographic Zone trial program. The Trial procedures have been available for selected flights, with prior approvals from INSPIRE since December 2012.

1.4 This AIP SUP notifies operators that the UPR Geographic Zone (see Appendix 1) trial has been successful and the procedures trialled will be implemented on 17<sup>th</sup> October 2013.

### **2. PROCEDURES**

2.1 The trial procedures in AIP SUP H66/13 become permanent on the 17<sup>th</sup> October 2013.

2.1 On 16<sup>th</sup> October 2013, the procedures will be published in the Off Air Routes Planning Manual available at:  
<http://www.airservicesaustralia.com/flight-briefing/off-air-route-flight-planning-options>.
